

CWS5307W: Assessing Safety, Risk, and Protective Capacity

PREWORK EXERCISES

Before attending training, please ensure that you complete the following activities:

1. Access and complete GAME4000: Engagement in Action in VLC (20 minutes): log in to VLC, search "Game4000" or "Engagement in Action", click on the game, enroll, and play the game. You can play the game as many times as you'd like.

2. Review the Practice Profiles of Engaging and Assessing.

If you don't have a copy with you, here is a link to the PDF.
